

Study Skills
Course Milestones for Students

Please fill in sheets outlining what subjects/topics activities should be covered/completed by when.

This will inform students on what they need to focus on throughout their study skills period.

| | |
|------------------------------------|-------------------------------|
| Course Title: CforE Biology | Level: Advanced Higher |
|------------------------------------|-------------------------------|

| Month | Work to be covered/Topics/Activities/Assignments | Work to be covered/Topics/Activities/Assignments |
|--------------|---|--|
| June/July | INVESTIGATIVE BIOLOGY OUTCOME 1 AND 2 | INVESTIGATIVE BIOLOGY OUTCOME 1 AND 2 |
| August | CELLS AND PROTEINS Lab techniques and related homeworks | ORGANISMS AND ENVIRONMENT Field techniques and related homeworks |
| September | <i>Proteomics and protein structure and related homeworks</i> | <i>Evolution, mutation and sexual selection plus related homeworks</i> |
| October | <i>Membrane proteins and related homeworks</i> | <i>Costs and benefits of sexual and asexual reproduction, meiosis and sex determination plus related homeworks</i> |
| November | <i>Amplifying environmental stimulus and related homeworks</i> | Sex and behaviour and courtship plus related homeworks |

| | | |
|---|---|--|
| December | <i>Communication with multicellular organisms and related homeworks</i> | <i>Parasitic niche, transmission and virulence and immune response to parasites plus related homeworks</i> |
| January | <i>Proteins and cell division and related homeworks</i> | Macroparasitic life cycles , macroparasites and treatment and control of parasites plus related homeworks. |
| February | CELLS AND PROTEINS UASP ANALYSIS OF UASP AND REMEDIATION PRELIMS ANALYSIS OF PRELIM AND REMEDIATION INVESTIGATION | ORGANISMS AND ENVIRONMENT UASP ANALYSIS OF UASP AND REMEDIATION PRELIMS ANALYSIS OF PRELIM AND REMEDIATION INVESTIGATION |
| March | INVESTIGATION | INVESTIGATION |
| April | REVISION AND EXAMINATION | REVISION AND EXAMINATION |
| Study Skills Course Directory of Support Resources | | |

Please fill in details below outlining what support is available for students completing this course. Please include on-line resources, books and details of revision sessions. If appropriate match the resource to the topics in the milestone calendar.

| Resources | Topic/Activity/Assignment |
|----------------------------|---------------------------|
| <i>Textbooks in school</i> | |

None produced at present.

**Consolidation Homeworks
booklets provided by the school**

These books cover the whole
Advanced Higher course

Best to buy if desired -

None available as yet

Online resources

*Edmodo group has powerpoints
and revision notes for the whole
course*

These cover the whole course.

*Scholar CforE SQA Advanced
Higher Biology*

**Lunchtime and after school
revision and consolidation
sessions run all session at
mutually agreed times once a
week**
