Dear Parent / Carer

Coronavirus (Covid 19) update

As with all other schools we are following the guidance set out for educational settings which can be found [here](#). In addition to this if you have any concerns or require general advice on the situation, further information can be found [here](#). All documentation clearly states when it was last updated.

We will be reviewing the guidance in line with any upcoming educational visits and will contact pupils and parents directly on any relevant matters.

As you will be aware this is a fast moving, global issue and the links provided should be used to provide the most up to date information.

For those pupils sitting SQA exams this year, The Scottish Qualifications Authority (SQA) are continuing to monitor the situation, in close contact with the Scottish Government and other regulators and awarding bodies across the UK. The current statement can be accessed on the SQA website.

At present there is no change to the published National Qualifications examination timetable. Our advice therefore is to continue to prepare as normal. All current deadlines for coursework and other assessments remain in place and the exam timetable is currently scheduled to run from 27 April until 4 June 2020.

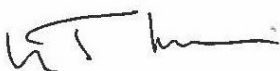

S1 Parents Evening Wednesday 18 March 2020

Current advice is that we can proceed with the S1 Parents Evening. When planning your attendance please ensure you follow the health advice signposted above.

Please be assured we are constantly reviewing and responding to the advice.

If you have any questions or concerns, please do not hesitate to contact the school directly.

Thank you for your continuing support.

Neil Morrison
Head Teacher
