January 2018

Dear Parent / Guardian

Department of Design & Technology

As you will be aware, it is the policy of the Education Authority to request parents to contribute towards the cost of materials used in practical departments. This covers the costs for all wood, plastic, metal and other consumable materials used during the year.

- For pupils in S1 and S2 we ask for a payment of £4 each year.
- For pupils studying the Practical Technology course in S3 we ask for a payment of £15.
- For pupils studying Practical Woodwork we ask for a payment of £15.
- For pupils studying Practical Metalwork we ask for a payment of £15.
- For pupils studying N4 or N5 Design & Manufacture we ask for a payment of £15.

In return your son/daughter will bring home the products he/she makes as part of the course.

Money is now collected using the online payment system; please ensure you are registered for this. Further information available on the school website. If you have any queries regarding the payment system, please contact the school office.

Yours sincerely

S J Simpson
Principal Teacher of Design & Technology
