Supporting Your Child with upcoming exams and Careers' Advice

Dear Parent / Carer,

You will be aware of recent changes to the National 4 and 5 qualifications. To help explain this in more detail, next Wednesday 8th November, we have Rob Fraser, SQA Area Liaison Manager for Aberdeenshire in to school. He will share information with you about the changes to the National 5 qualifications this academic session. Rob will also provide an update about changes that will follow in subsequent years.

This presentation will take place in the Theatre from 7.15pm and will finish by 8.15pm. Both Rob and members of the Senior Leadership Team will be on hand afterwards to answer questions at the end of the presentation.

We are also aware that parents and carers want to be involved in discussing career and further study options with their child. We have therefore organised a session on this same evening where you can be shown some excellent online resources to help young people plan their future.

This session will run before the SQA presentation from 6.45pm until 7.15pm in the canteen area.

We hope to see as many of you as possible can support this event and we look forward to seeing you on the evening.

Yours sincerely,

Neil Morrison
Head Teacher
