

Study Skills
Course Milestones for Students

Please fill in sheets outlining what subjects/topics activities should be covered/completed by when.

This will inform students on what they need to focus on throughout their study skills period.

Course Title: Higher Human Biology	Level: Higher
---	----------------------

Month	Work to be covered/Topics/Activities/Assignments
June/July	UNIT 3 NEUROBIOLOGY AND COMMUNICATION <i>Nervous system</i> <i>Perception</i> <i>Memory</i>
August	<i>Nerve cells and neural pathways,</i> <i>neurotransmitter mood and behaviour</i> <i>Communication and social behaviour,</i> <i>experience and group behaviour</i>
September	OUTCOME 1 UASP UNIT 3 ANALYSIS AND REMEDIATION UNIT 1 HUMAN CELLS Differentiation and stem cells
October	DNA and its replication RNA, transcription and translation Proteins, mutations and genetic disorders
November	Human genomics Metabolism and enzymes Cellular respiration
December	UASP UNIT 1

	ANALYSIS AND REMEDIATION UNIT 2 PHYSIOLOGY AND HEALTH Reproduction and fertility Antenatal and post natal screening
January	Cardiovascular structure Cardiovascular system in action Cardiovascular disease diabetes and obesity
February	UASP UNIT 2 <i>Unit 4 Immunology and public health</i> <i>Immune system</i> <i>Specific cellular defences</i> ANALYSIS AND REMEDIATION ASSIGNMENT
March	<i>Infectious disease and epidemiology</i> <i>Herd immunity and antigenic variation</i> UASP UNIT 4 ANALYSIS AND REMEDIATION
April	REVISION AND EXAMINATION
Study Skills Course Directory of Support Resources	

Please fill in details below outlining what support is available for students completing this course. Please include on-line resources, books and details of revision sessions. If appropriate match the resource to the topics in the milestone calendar.

Resources	Topic/Activity/Assignment
<i>Textbooks in school</i> <i>Higher Human Biology by</i>	 These books cover the whole course

Torrance

Best to buy if desired -

Bright Red higher human Biology
*Higher Human Biology by
Torrance*

These cover the whole course

Online resources

*Edmodo group has powerpoints
and revision notes for the whole
course and short online tester
questions*

These cover the whole course

**Lunchtime and after school
revision and consolidation
sessions run all session at
mutually agreed times once a
week**
