

Study Skills
Course Milestones for Students

Please fill in sheets outlining what subjects/topics activities should be covered/completed by when.

This will inform students on what they need to focus on throughout their study skills period.

Course Title: National 5 Physics	Level: National 5
---	--------------------------

Month	Work to be covered/Topics/Activities/Assignments
June/July	WAVES AND RADIATION <i>Wave parameters and behaviours topics plus related homeworks</i>
August	<i>Electromagnetic spectrum, light topics plus related homeworks</i>
September	<i>Nuclear radiation topics plus related homeworks</i> DYNAMICS AND SPACE Velocity and displacement vectors and spacars and time graphs topics plus related homeworks
October	<i>Acceleration and Newton's Laws topics plus related homeworks</i>
November	<i>Projectile motion and space exploration topics plus related homeworks</i>
December	<i>Cosmology plus related homeworks</i>
January	ELECTRICITY AND ENERGY

	Conservation of energy, electrical charge carriers and electrical fields <i>topics plus related homeworks</i>
February	Potential differences, Ohm's Law, practical electrical and electronic circuits <i>topics plus related homeworks</i> PRELIMS ANALYSIS OF PRELIM AND REMEDIATION
March	Electrical power, specific heat and gas laws and kinetic models <i>topics plus related homeworks</i> ASSIGNMENT COMPLETION
April	REVISION AND EXAMINATION
Study Skills Course Directory of Support Resources	

Please fill in details below outlining what support is available for students completing this course. Please include on-line resources, books and details of revision sessions. If appropriate match the resource to the topics in the milestone calendar.

Resources	Topic/Activity/Assignment
<i>Textbooks in school</i>	
<i>Bright Red N5 Physics</i>	This book covers the whole N5 course
Best to buy if desired -	
Bright Red N5 Physics	
<i>Online resources</i>	
<i>Edmodo group has powerpoints and revision</i>	These cover the whole course

*notes for the whole course and short online
tester questions*

**Lunchtime or after school revision and
consolidation sessions run all session at
mutually agreed times once a week**

These cover the whole course
