

Dear Parents/Carers

You may be aware that for several years now we have conducted an annual parental survey which our prefects hand out and collect in at parents' evenings. We have generally had an excellent level of response to these, however to ensure that all parents have a chance to give their views I would also like to give you the opportunity to respond here:

<https://www.surveymonkey.co.uk/r/G327BNJ>

The survey should take around 5 minutes and your views are an important part of our self-evaluation and improvement planning. If you did not fill in a survey at parents' evening, or can't remember doing so, please complete the survey above. We will be in touch with parents in the new session with the results of the survey.

Regards
