

Home Economics in S1 – S2

Normally, in S1 – S2 pupils have a double period lesson each week.

The course equips pupils with a wide range of knowledge and skills for progression onto both the Health & Food Technology and Hospitality courses available during the senior phase.

A wide range of topics are covered in S1- S2 and pupils have many experiences linked to Health and Well-being and Technologies.

The practical lessons complement the theory work being studied and develop pupils understanding of a wide range of associated topics.

Pupils pay a contribution towards the cost of the materials used in this course.
