Dear Parent/Carer,

As your young person enters the last term of their Broad General Education, it is a great time to reflect on their time at Portlethen Academy so far, celebrate their journey and wider achievements and plan their goals and pathways through S4 and beyond.

As such, during Clan, our S3 pupils have been preparing for their Passage Presentations. You can find out more information about what Passage is and how they have been planning for this on our Clan website <https://sites.google.com/as.glow.scot/portyclans/home/202223/passage-presentations>

The Passage Presentations will take place during the week of Tuesday the 9th of May until Friday the 12th of May during the school day. Individual invites for your child/ward's Passage Presentations with details of times, locations and how to RSVP will follow in due course. We appreciate it is not ideal for those who have work commitments that the event is held during school hours but hope that with enough notice a small allocation of time can be set aside to allow you to attend the event. As this is also the first year of us running such an event, we will be gathering feedback where the views and opinions of pupils, parents, and staff will be gathered to inform future years.

In the meantime, we would encourage you to discuss with your young person their presentation, encourage them to practice what they are going to say and ensure they have submitted the digital copy for feedback prior to the event (this is done via the S3 Passage Team which pupils have access to via Glow).

We look forward to welcoming you to your young person's Passage Presentation.

Kind regards,

Rebecca Hogg

Principal Teacher of Pupil Development
