

Become a Mentor at Portlethen Academy

Hi everyone, my name is Olivia Polak, and I am the MCR Pathways Co-ordinator for Portlethen academy.

I deliver the Young Talent Programme in school to several of our young people from S1 right through to S6.

From S3 onwards, our young people are matched with mentors based on their interests, career paths and life experiences. The mentoring sessions are designed to focus on helping the young person to find, grow and use their talents. Our mentors offer great support to our young people who fully commit and appreciate their time.

We are delighted with the positive impact the mentoring programme has had so far in our school; however, we want to increase the number of young people receiving this support - This is where you come in...

How you can help

We would love for the local community to get involved and support our young people. All you need is; to be over the age of 21, be able to share 50mins-1 hour a week and be passionate about helping our young people.
